Minimum order quantity	500–1,000 pcs
Sample lead time	7–15 days
Production lead time	30–45 days

CUSTOMIZATION AVAILABLE

- Logo, colors and surface finish
- Brush head and bristle configuration
- Cleaning modes, timer and feature set
- Battery and charging configuration
- Packaging, manual and retail accessories

QUALITY AND VERIFICATION

- Supplier specifications are checked against the actual configuration before production, not repeated from a datasheet.
- Mass production runs against the sealed pre-production sample, which is held on record.
- A final random inspection is completed before loading, and the inspection report is issued with the shipment.
