COMMERCIAL PARAMETERS

Minimum order quantity	500–1,000 pcs
Sample lead time	7–15 days
Production lead time	30–45 days

CUSTOMIZATION AVAILABLE

- Logo, colors and surface finish (electroplated or spray-painted)
- Blade or foil system and motor options
- Battery, runtime and charging configuration
- Wet/dry and waterproofing specification
- Packaging, manual and retail accessories

QUALITY AND VERIFICATION

- Supplier specifications are checked against the actual configuration before production, not repeated from a datasheet.
- Mass production runs against the sealed pre-production sample, which is held on record.
- A final random inspection is completed before loading, and the inspection report is issued with the shipment.
