Sample lead time	7–15 days
Production lead time	30–45 days

CUSTOMIZATION AVAILABLE

- Custom housing colour and surface finish
- Private-label logo
- Custom retail packaging and user manual
- Plug and voltage configuration by target market
- Gift-set and accessory configuration subject to project confirmation

QUALITY AND VERIFICATION

- Supplier specifications are checked against the actual configuration before production, not repeated from a datasheet.
- Mass production runs against the sealed pre-production sample, which is held on record.
- A final random inspection is completed before loading, and the inspection report is issued with the shipment.
