CUSTOMIZATION AVAILABLE

- Custom handle colour and child-friendly graphics
- Private-label logo
- LCD interface artwork
- Brush-head configuration and bristle options
- Custom retail packaging and user manual

QUALITY AND VERIFICATION

- Supplier specifications are checked against the actual configuration before production, not repeated from a datasheet.
- Mass production runs against the sealed pre-production sample, which is held on record.
- A final random inspection is completed before loading, and the inspection report is issued with the shipment.
